

RATES AND CHARGES FOR NET METERING SERVICE

Each net metering member shall be charged for electric service under that rate schedule which would otherwise be applicable if the member was not a net metering member. In addition, each net metering member shall pay a monthly service charge based upon the direct costs to the Cooperative associated with interconnecting the member's distributed generation facility. Said monthly service charge shall include the following:

1. A facilities charge based on the total cost of all facilities installed by the Cooperative, including transformers, protective devices, controls and monitoring equipment times the Cooperative's fixed charge rate.
2. A facilities charge based on the total incremental cost of metering equipment times the Cooperative's fixed charge rate.
3. An administrative charge of \$7.00 per month.
Single directional metering @\$2.65 per month; Bi-directional metering @ \$4.15 per month.

PURCHASE RATE

The rates paid for net energy purchased by the Cooperative shall be based upon the Cooperative's avoided cost of energy
