(Please use this form ONLY if you are applying for a position that requires a CDL.)

MOTOR CARRIER INSTRUCTIONS: The requirements in Part 383 apply to every driver who operates in intrastate, interstate, or foreign commerce and operates a vehicle weighing 26,001 pounds or more, can transport more than 15 people, or transports hazardous materials that require placarding.

The requirements in Part 391 apply to every driver who operates in interstate commerce and operates a vehicle weighing 10,001 pounds or more, can transport more than 15 people, or transports hazardous materials that require placarding.

DRIVER REQUIREMENTS: Parts 383 and 391 of the Federal Motor Carrier Safety Regulations contains some requirements that you as a driver must comply with. These requirements are in effect as of July 1, 1987. They are as follows:

If you currently have more than one license, you should keep the license from your state of residence and return the additional licenses to the states that issued them. If a multiple license has been lost, stolen, or destroyed, you should close your record by notifying the state of issuance that you no longer want to be licensed by that state.

2. Sections 392.42 and 383.33 of the Federal Motor Carrier Safety Regulations require that you notify your employer the NEXT BUSINESS DAY of any revocation or suspension of your driver's license. In addition, Section 383.31 requires that any time you violate a state or local traffic law (other than parking), you must report it to your employing motor carrier and the state that issued your license within 30 days.

DRIVER CERTIFICATION: I certify that I have read and understood the above requirements.

The following license is the only one I will possess:

INVITATION TO EMPLOYEES VOLUNTARY REQUEST TO SELF-IDENTIFY AS PROTECTED VETERAN

The Company is a government contractor subject to the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended (VEVRAA), which requires government contractors to take affirmative action to employ and advance in employment certain categories of veterans. These categories of protected veterans include Disabled Veterans, Active Duty Wartime or Campaign Badge Veterans, Armed Forces Service Medal Veterans, and Recently Separated Veterans, which are defined below. As a government contractor subject to VEVRAA, we are required to solicit this information from our employees, and your response will assist us in measuring the effectiveness of our outreach and positive recruitment efforts. We also maintain an affirmative action plan for protected veterans, designed to ensure that we recruit, hire, train, and promote all persons in all job titles, and ensure that all other personnel actions are administered, without regard to protected veteran status. We are also required to submit a report to the U.S. Department of Labor each year identifying the number of our employees belonging to each specific category of protected veterans.

Submission of this information is voluntary. Refusal to provide a response will not subject you to any adverse treatment. Responses will be kept confidential, except that (1) supervisors and managers may be informed regarding restrictions on the work or duties of disabled veterans, and regarding necessary accommodations; (2) first aid and safety personnel may be informed, when and to the extent appropriate, if you have a condition that might require emergency treatment; and (3) government officials engaged in enforcing VEVRAA may be informed.

The term "**Disabled Veteran**" is defined as a (1) veteran of the U.S. military, ground, naval, or air service who is entitled to compensation (or who but for the receipt of military retired pay would be entitled to compensation) under laws administered by the Department of Veterans Affairs; or (2) a person who was discharged or released from active duty because of a service-connected disability.

The term "**Active Duty Wartime or Campaign Badge Veteran**" means any veteran who served on active duty in the U.S. military, ground, naval, or air service during a war or in a campaign or expedition for which a campaign badge has been authorized.

The term "**Armed Forces Service Medal Veteran**" means a veteran who, while serving on active duty in the U.S. military, ground, naval, or air service, participated in a United States military operation for which an Armed Forces service medal was awarded.

The term "**Recently Separated Veteran**" is defined as any veteran discharged or released from active duty in the past three years.

If you belong to any of the categories of protected veterans listed above, please indicate by checking the appropriate box or boxes below.
