BANK DRAFT

Bank drafts are available through Amicalola Electric Membership Corporation. Anyone who is a member may have the convenience of paying his or her electric bill each month by bank draft. All you have to do is notify your bank that we will be drafting your checking account each month for your electric bill; then complete the form below and return it with your next bill payment. All future bills will be drafted until you request to be removed from the draft service. **In order for your draft to continue without interruption, it is your responsibility to notify us in writing of any changes to your bank or your account number.**

Your bill will be mailed to you each month as before to give you information concerning your kilowatt-hour usage, as well as the bill amount. A notation is made on the bill card that it is PAID BY DRAFT.

By having your account drafted, you will eliminate; 1) problems with mail delivery; 2) forgetting to pay your electric bill; 3) the bother of writing a check; 4) the chore of mailing your payment; and 5) the expense of postage. Best of all - **YOU NEVER PAY A LATE CHARGE.**

If you have any questions, please contact the Amicalola EMC office in Jasper:
(706) 253-5200.
